Sept.

Room 106D updates on third grade at BGES!

## Fall is in the Air

I'm so excited for Fall and the cooler weather and the kids are too! Please remember to write names in jackets and remind students that it is their responsibility to keep track of them throughout the day!

## What We're Learning

**Reading:** SOL 3.5 Author's Purpose & Making Inferences

**Math:** SOL 3.1 Rounding

**Science:** SOL 3.7 Soil

**Social Studies:** SOL 3.8 Ancient Mali

## Remind

Some parents have already signed up for Remind and are loving it. If you have not already sign up by texting @EllisBG to 81010.

## Word Study

Every week students will be receiving a word study sort to practice at home and school, then will be tested on every Friday. For word study homework students will complete one Spelling Menu assignment in their Word Work notebook. The menu is in their Word Work notebook and homework folder.

## Wonder

We have been reading the chapter book *Wonder* by RJ Palacio as a class read aloud.

*Wonder* tells the story of a 10 year old boy going to public school for the first time. I love this book because of its strong messages about being different and bullying. Ask your student what is going on in the story as we continue to read!
