Room 106D updates on third grade at BGES!

Fall is in the Air

We are very excited for the new Fall season heading our way with some cooler weather. Please remember to write names in jackets and remind students that it is their responsibility to keep track of them throughout the day!

What We're Learning

Reading: SOL 3.5 Author's Purpose, Main Idea & Details

Math: SOL 3.1 Rounding, 3.3 Estimation

Science: SOL 3.7 Soil

Social Studies: SOL 3.12 Rules & Laws

Back to School Night

Please join us for Back to School Night THURSDAY at 5:30-7:00pm for some information!

Flexible Seating

This month we will be testing out our new flexible seating option for learning: "squish" exercise balls. Soon a contract for these will be sent home. Please review this carefully and have each of you sign before returning to school. This flexible seating choice will be used as a tool for learning, not a toy. Please contact me if you have any concerns.

Class Dojo

Many parents have already joined Class Dojo and are loving it. It is a great way to communicate and share pictures of what we are learning and creating! You can join by downloading the Class Dojo app or at www.ClassDojo.com. Let me know if you need your student's code again.
