You've Been "Feathered"

For the month of November we have started a program to motivate our students to read. Each teacher has made themselves into a turkey on their classroom door. For each book they read, students write down the main idea of the story on a paper feather. Competing classes will "feather" each other's turkey to see who will get the most and we are prepared to beat all of 3rd grade!

Veteran's Lunch

Bowling Green would like to welcome any and all family members who have served or are currently serving in the armed forces to join us in our annual lunch on November 10th to honor those who have fought for our country. Our lunch time is 11:50 - 12:20 if you'd like to join.
